

# FINAL WISHES

We all know that the Great Architect of the Universe allows each of us a limited period of time on earth. What happens to each of us upon our death is not a topic we discuss in great length, either among ourselves or with family. Family members are often left wondering what, if anything, is to be done regarding our Masonic affiliation. This form is intended to give each Brother the opportunity to inform his family, Lodge and the executor/executrix (if not an immediate family member) of his wishes regarding Freemasonry upon his passing.
